

# PARENT MEETING

*“Preach the Gospel at all times, and when necessary, use words.”  
- St. Francis*

Parents are encouraged to attend the Monday night meetings. Here you will find a support group steeped in Catholic thought to help navigate the potentially rocky years ahead.

We often get asked why parents are encouraged to attend and it is because they are the most influential example of faith to their children. It’s not as much about what you say as it is about what YOU do that will impact your children.

As Pope Francis tells us, **“How precious is the family, as the privileged place for transmitting the faith!”**
